

Chester Indoor 5th, 6th, 7th February 2021 Entry / Results Form

Virtual!

Along with many other Archery Clubs this season, Cheshire County Bowmen have taken the difficult decision to not run a physical Chester Indoor Tournament in February 2021, owing to the on-going Covid-19 Pandemic.

However, to have a bit of fun during these trying times we have made the decision to take the Chester Indoor Tournament virtual this year!

This virtual event will be held on the 5th, 6th and 7th of February 2021, which is the same weekend our physical tournament would normally be.

The event will be open to both Individuals and Teams with results published as soon as possible after the closing date.

We hope that you will make use of this opportunity to pit yourself and your clubs against one another in a safe virtual environment.
